TREAT YOUR SWEETHEART TO SOMETHING SWEET

An old Norwegian proverb declares that biscuits are made of butter and love, and it is with this in mind that Shingle Inn is offering lovers the opportunity to show their love with something a little sweet this Valentine's Day, according to Area Manager, Karen Milne.

Mrs Milne says that if your sweetheart would rather fall in chocolate than love, give her or him a Shingle Inn Valentine's Heart in chocolate mud, to really make their heart melt.

However, Valentine's Day is not only an occasion to shower your significant other with tokens of affection.

"Mothers, sisters and best friends also are delighted to be thought of, especially if they are single, hence Valentine's Day is as good an excuse as any to share sweetheart biscuits, mud cake, or lamingtons with loved ones," Mrs Milne said.

Gluten intolerants and those rare few impartial to chocolate don't have to miss out, with Shingle Inn offering delicious gluten free strawberry and white chocolate tarts, and mini iced fruit cakes this Valentine's Day.
